

We employ trained operatives to offer cleaning solutions to office, industrial, licensed and other commercial properties in any business sector. Our maintenance team often work hand in hand with Clients providing additional services for internal repair, fittings or property maintenance, where required.

Whatever your business we have the knowledge, experience and expertise to develop a cleaning package to suit your needs. An example of our existing service sectors are:-

- Office and Industrial
- Retail and Warehousing
- Education and Childcare
- Licensed Premises and Hotels

Our services can be extended to provide additional facilities leaving you free to concentrate on your own business and saving you time and money in finding separate contractors. Our experience has proven that the provision of a quick, reliable handy person to deal with those inevitable general maintenance issues is a real benefit to our customers.

- Consumable and Janitorial Supplies
- Internal and External Building Repair
- Carpet Cleaning
- Decoration
- Fire Extinguisher Maintenance
- Plumbing
- Internal Partitioning
