

**Enterprise Complete Services have built a considerable portfolio of sites for which we provide estate management solutions to a wide range of clients. In both the private sector for Property Managers and Agents, and public sector with Local Councils and Housing Associations.**

We acknowledge the importance of a clean and tidy environment within high-density residential areas. A littered communal hall, ill maintained grounds or overflowing bin store are perfect reasons for complaint from a resident feeling their annual ground rent could be put to better use. Enterprise Complete Services will ensure this is not a concern for you.

We operate to varying client specifications or offer bespoke contracts designed using a combination of the site conditions and our own experiences. Services include:-

- Cleaning of Common Areas
- Periodic Carpet Cleaning
- Window Cleaning
- Grounds Maintenance and Litter Removal
- Garden Preservation and Landscaping

We also employ skilled craftsmen and approved sub-contractors allowing us to offer a solution to almost any aspect of the internal or external repair of your building. Examples include:-

- Internal/External Door Adjustment, Repair and Replacement
- Hardware Repair and Replacement
- Lighting and Lamp Repair and Replacement
- Decoration
- Estate Signage Repair and Replacement
