

It is our priority to remove the inconvenience that can be associated with residential lettings and, as a Landlord or Letting Agent, maximising your rental income is of the utmost importance. Our cleaning, maintenance and repair services are available to ensure your property remains in excellent condition tenant after tenant.

The core of our operation in this field is providing speed of response whilst ensuring there is no compromise in quality of performance. It is testimony to our ability that we have forged business partnerships and trusted relationships with many identifiable Estate and Lettings Agents. Our proven track record for reliability has been rewarded with approved status, and in many cases sole contractor, for a growing number of clients. Services offered include:-

- Pre and Post Tenancy Cleaning
- Professional Carpet Cleaning
- Security Repair and Lock Changes
- Guttering and Drainage Repairs
- Plumbing and Electrical repairs

We are more commonly providing an in depth service for properties in a much poorer condition. Whether this is flood or fire damage or purely a lack of care in tenancy, we are able to provide quotations for the following facilities:-

- Thorough Deep Cleaning
- Internal Repair and Decoration
- Kitchen and Bathroom Replacements
- Tiling and Laminate Flooring
